

National Roofing Services

www.indiamart.com/nationalroofing

We are a distinguished importers, suppliers and specialist contractors of Walling, Roofing and Ceiling Solutions. The products we offer are reliably sourced from certified manufacturers and are applicable for commercial purposes.

Profile

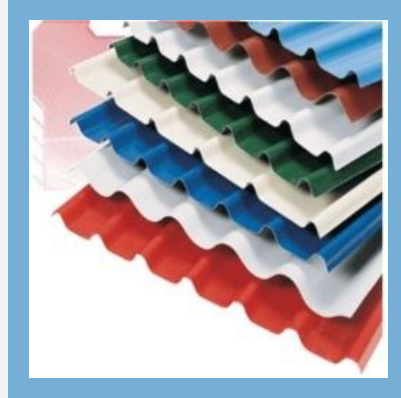

Established in year **1944**, we, “**National Roofing Services**”, are a well known importer, supplier and specialist contractors of **Walling, Roofing and Ceiling Solutions**. These products are fabricated by reputed manufacturers and used for various industry applications. With experience and knowledge enormously vast than our competitors, we have been able to meet the demands of our clients with supreme proficiency. To maintain the standards of our domain, the products we offer are procured from only certified and trustworthy vendors. These products are only acquired after confirmation that stringent and regular quality tests are conducted by the vendors. These products are stored in a well-designed warehousing facility, which helps in retailing the quality of our range. It has ample storage capacity and allows easier sorting. Furthermore, we also provide installation services of the products we offer. Owing to all these reasons, we have been able to establish a strong foothold in the **Indian Market**. Our countless endeavors have allowed us create a large and reputed client base that includes **Novartis, Siemens, Hansen Drives, Volks Wagen, Godrej** and **P & G**. Under the able guidance of our mentor, '**Mr. Prakash. Marwah**', we have been able to attain insurmountable success in this domain. His leadership skills have contributed to our proficiency and his techniques have allowed us to adapt to the versatile conditions of the market.
